## THE FUTURE OF MANUFACTURING: TECHNOLOGY & THE WORKFORCE

The **Industrial Summit** provides SVIC partners and community the opportunity to come together on an annual basis to learn about innovative industries that are growing in the region, to attend informational and educational breakout sessions, to engage in B2B networking.

### Keynote Speaker: Jake Hall "The Manufacturing Millennial"

**Jake Hall is the Manufacturing Millennial.** He talks about the latest technology in the automation and manufacturing while making it engaging for all audiences. He is an experienced sales professional with extensive knowledge building lasting business relationships across multiple accounts, designing sales strategies, and creating and accomplishing project goals. Proficiency in creating new business opportunities with existing and new accounts by leveraging key strengths and maintain customer relationships.

**Chairman Rodney Wilson**
